

# Crown Trailers

Building Trailers  
Since 1969

The Crown Classic sets the standard in boat trailers with features like floating Bunk/roller bars for easy loading and unloading. Trailers come fully galvanized, have a HD winch and swivel jack. The trailers we offer will handle from 18 to 38ft. boats.

The Crown Royal raises the standard in boat trailers to new heights with features like aluminum checker plate fenders, aluminum wheels, LED lights and more. All standard and included in the price. All trailers have easi-lube axil, submergible lighting and hydraulic surge brakes.

**Crown Trailers** Building Trailers Since 1969

**WE ARE THE 1**

Crown Trailers was established in 1969 and over the years became one of the premier manufacturers of galvanized steel horse trailers in Ontario. In 2004 we decided to concentrate our manufacturing talent and experience to manufacture of tandem and triple axle boat trailers.

In 2006 we have expanded our boat trailer line. We now have **Crown Classic** line of trailers and the **Crown Royale** line of trailers.

We are located 60 miles west of Toronto, right on HWY #2 in Brantford, Ontario, Canada
